

“I've said all the things I want to say, it's been dealt with now and I can put it away.”

Quote from a client after using our service

Sometimes it can be hard to talk to people close to you about your experience of sexual violence or rape. We offer a safe space for you to talk about what has happened and get the support that is right for you. We will listen to you and we will believe you and we will not judge.

Notts SVS Services provides a free* range of services and therapies for victims and survivors of rape, sexual violence and abuse, aged 18+, who are living in Nottingham and Nottinghamshire. Our services are open, accessible and inclusive to all and will be tailored to meet your needs.
