

“If I told anyone
they would think
I wasn't a man
anymore.”

We will support you

Sometimes talking about your experience of sexual violence or asking for help can seem like a tough first step. Our caring staff are trained and experienced in helping survivors of rape, sexual violence and sexual abuse. We will listen to you and work with you to help decide what support is right for you.

Notts SVS Services provides a free* range of services and therapies for victims and survivors of rape, sexual violence and abuse, aged 18+, who are living in Nottingham and Nottinghamshire. Our services are open, accessible and inclusive to all and will be tailored to meet your needs.
